Dear Allergy Clinic Physician,

The following patient would like to receive injections at the University of Maryland University Health Center:

Name__________________________________ DOB____________ UID #___________________

We need the following information in order to determine acceptance of your patient into our Allergy Clinic for the administration of their allergy injections.
Please note that the patient must have received at least one dose in your office before we can accept them in our clinic. **We will administer a maximum of 3 injections per patient.**

- Please include sufficient serum to last the patient for 4 months.
- Does your patient have a history of **asthma**? **Yes / No**
- History of **Anaphylaxis**? **Yes / No**
- Does your patient use anti-histamine therapy prior to receiving allergy injections? **Yes/ No**
- Is your patient on beta-blockers? **Yes / No** Do you require a peak flow? **Yes / No**

Allergy injections will not be administered without a physician being in the Health Center. A mandatory 30 minute wait after receiving injection(s) is enforced. We do not mail allergy serum back to the patient or MD office.

Please list the name(s) of allergen(s) the patient will be receiving and concentration of each vial sent on the attached sheet and return both forms to our office via mail or fax. Fax number is **301-314-5234**.
