Consent for Treatment & Use of Records
I, the undersigned, voluntarily consent to treatment by the practitioners and clinical staff of the University Health Center. I also voluntarily consent to the use and disclosure of my protected health information (PHI) for treatment, payment and operations and such other purposes that are permitted under the federal Health Insurance Portability and Accountability Act (HIPAA) and the Family Educational Rights and Privacy Act (FERPA) without a written authorization. I understand that the University Health Center is an integrated unit including medical, mental health and health promotion/wellness and that my record may be shared between those internal departments for treatment purposes. In addition, the UHC actively collaborates with Athletic Training Services/Sports Medicine and the Counseling Center on the care of patients and my medical information may be shared with those units for the purpose of care coordination and delivery.

I understand that in cases of disclosure of threats to harm myself or others, or instances of past or present child neglect or abuse, disclosure and/or mandated reporting may follow in accordance with State law and/or University policies and practices. When required by the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the "Clery Act"), UHC staff must anonymously report general information about crimes including the type, date and location of the incident. The victim's name and other personally identifying information will not be reported. In the event that a crime poses a serious or continuing threat, a timely warning of the crime will be issued to the campus community. I acknowledge that I have been offered the Notice of Privacy Practices (NOPP), which contains additional information about the use of my PHI. The NOPP is also available on the Health Center website.

Financial Responsibility
I accept that I am financially responsible for all services rendered on my behalf for which a charge may be associated. I accept personal responsibility for all co-payments, deductibles, and non-covered services, as dictated by my insurance coverage, plus any collection costs for amounts personally owed by me.

In the event that this visit is based on a Worker’s Compensation claim and my Worker’s Compensation claim is not accepted, I agree to have the fees associated with services sent to my private health insurance company.

I acknowledge that not all services provided by the University Health Center are covered by my insurance plan for one or more reasons, including but not limited to exclusions from my insurance plan, my insurance plan’s designation of the Health Center as an out-of-network provider, and/or my failure to provide my insurance card. I acknowledge that physical therapy, acupuncture, and massage services are not billed to insurance carriers and I agree to be financially responsible for those services.

Authorization (PLEASE COMPLETE):
I authorize payment directly to the University Health Center for services for which the University Health Center accepts payment. I accept responsibility for all charges if I do not have medical insurance. I have been informed that the services provided may not be covered by my insurance plan. I elect to proceed with service with the understanding that I may be personally responsible to pay for the service being rendered to me.

In general, it is the policy of the University Health Center that photography, video and/or audio recording are not permitted in the Center.
